Leopold's Trail Run

Saturday, October 26, 2019

LOCATION:Haymarket, VA US 20169

TYPE:Run or Run/Walk

It's almost race day! We hope you are ready for this super-fun 6th annual event. As always, the twilight runs also include a mini-family festival from 2 to 6 pm. The 1 mile run starts at 3 pm, the 10K starts at 4 pm, and the 5K starts at 4:10 pm, so make sure you arrive in time to park, get your race packet, enjoy the festival activities, warm up, and get ready to race.

If you have friends and family who are going to join in the fun, remind them! They can [register online](#) right up until race start or onsite race day.

The race courses use the trails of Leopold's Preserve in Haymarket and take you through forest, plains, bridges, and rolling hills, with tons of great views and wildlife along the way. The start/finish is the trailhead in the Villages of Piedmont community (at the end of Market

Ridge Blvd.). The course will be marked (orange cones with blue arrows). Headphones are not recommended; if you choose to wear them, they must be set at a reasonable volume to keep you safe in any traffic areas and enable you to hear any instructions.

The forecast looks like it is going to be in the low 60s with a chance of rain. As long as you are dressed for the weather and keep hydrated, you will have a great time! We will have an aid station on the course and bathrooms at the start/finish area.
